VOL. 14 NO. 7 WEDNESDAY, FEBRUARY 14, 1973.

Dave Scammell, left, Valerie Osborn and Geri Peterson, rehearse a scene from 'Suppressed Desires' one of three one-act plays being presented this weekend by the St. Albert on Sturgeon Players. The marital comedy is under the direction of Joanne Reinbold.

## Local theatre group competing Sunday in drama festival

Two of the three one-act plays that the St. Albert-on-Sturgeon Players will be presenting this weekend locally are entries in this year's Edmonton Regional One-act Festival which takes place this Sunday in Edmonton. Ray Hunt's production of Pinter's "The Lover" will be performed in the festival on Sunday afternoon at 2 p.m. and Don Mills' production of "Save Me a Place at Forest Lawn" in the evening.

This year's festival includes only five entries from the Edmonton area and the local drama group is sending two. The day's program which also includes "That's Life," "Crawling Arnold" and "The Chairs," will be performed in two parts starting at 2 p.m. and 8 p.m. at Eastglen Composite High School at 11430 - 69 Street. Tickets are available at the Celebrity Box Office at \$2.50 for both or \$1.50 each session.

The winning entry in the festival will be invited to perform at Banff later this month. With two fine entries from the town the club's chances of such an honour are good and it is expected

that a good number of St. Albert people will take in one or both performances. For those not able to do so, a third, "Suppressed Desires," will be staged Fri-

day or Saturday at St. Albert High, as the club launches its 10th anniversary season with "An Evening of One-Act Plays."

Tickets will be available at the door.

## PSS Issue Stalled By "Oath" Motion

Committee of Council Monday was prepared to deal with the minutes of the Preventative Social Services meeting held Sunday, Feb. 4, which recommended to council that Mrs. Hennie Stibbe be removed from the PSS Board for cause.

The stage was set to deal with the sensitive matter at 8:35. When deputy-mayor John de Bruijn brought the PSS issue before the council Councillor Myrna Fyfe immediately took centre stage with a motion that all evidence given on this issue be given under oath. She explained that serious allegations had been made pub-

lic, via statements or through the press, involving PSS members, their integrity and handling of public funds.

"I thus make a motion," said Councillor Fyfe, "that all evidence given here tonight be made under oath."

Councillor Fyfe concluded her motion and remarks by saying that lawsuits may evolve from statements already made and suggested that further statements ought to be made under oath for the protection of council members and others. The motion was carried 4 - 2 with Mayor Gibbon and Councillor de Bruijn voting against.

This motion by Councillor Fyfe brought an immediate reaction of consternation from other members of council as well as from the jam-packed gallery. Deputy mayor de Bruijn asked his colleagues for direction. Mayor Ray Gibbon questioned the "protection aspect" of the statements under oath recommendation. This question prompted deputy mayor de Bruijn to have chief administrator Dan O'Connell peruse the Alberta Municipal Act. Mr. O'Connell

## Is Organized Sport Turning Kids Off?

Is organized sport turning kids off? Does it put too much pressure on them? How important is winning? What is the impact of pros on amateur sport? These and other questions sparked discussion at Thursday sports forum in St. Albert.

A team of university graduates and administrators from the department of physical education at the University of Alberta attended the meeting which attracted about 45 local people.

"We are here," said Chairman Dr. Jerry Glassford, as a result of discussion held about four months ago of the idea that univer-

sity professionals should be more actively oriented, as a balance to spending a lot of time on papers and normal university work."

Dr. Glassford, who is chairman of the department of physical education at U of A, said it was felt university people could try and go into some schools, do some clinics with youngsters, perhaps with such people as Clare Drake in hockey and Bob Bain in basketball.

On a different level the meeting in St. Albert, through the town recreation department, was the first in what will be a series of meetings between university

personnel and people working with amateur sport programs in communities. In this area the university hopes to work with the department of culture, youth and recreation. People from the provincial department could then take university research findings and new thinking to others involved in sport and recreation across the province.

Dr. Glassford introduced Jim Morell, with the New Brunswick government in sports administration, and doing post grad work at the U of A; Fred Gorgichuk in

## Local teacher presides at ATA Convention

Arrangements for the President's reception at the North Central Teachers' Convention provided a more informal evening last Wednesday than in previous years. Guest speakers were saved for the two-day sessions and the Wine and Cheese party was a more social gathering, with tables set for eight around the Tongvin Room at the Macdonald Hotel.

President Phyllis Kittlitz of St. Albert was introduced to the gathering by program chairman Kenn Tuckey of Barrhead. She welcomed teachers from Barrhead, Lac Ste. Anne, Leduc, Parkland, St. Albert, Strathcona, Sturgeon, Westlock and Wetaskiwin city and county. Teachers in the convention number something over 2,200.

We had a renegade group, said Mrs. Kittlitz, who are presently meeting in Jasper Park. "We wish them success, but not too much. The Yellowknife group left the fold - we need their money and we need their teachers"

On such occasions as tonight, the president told the teachers, "we give a little of ourselves - which helps us to live more fully - we are more kindly, and we enjoy comradeship - so necessary for all of us."

The president introduced three men "who have served our convention with diligence, and presented a gift of flowers to them and their wives: John Woloshyn of Leduc, secretary treasurer; Mike Martyn of Parkland, facilities chairman; and Kenn Tuckey.

Sherry Belcourt, bachelor of music, who teaches at Sir George Simpson gave a delightful rendition of "Getting to Know You" accompanied by Bertha Kennedy. Well known local people noticed at the reception were MLA Ernie Jamison and Mrs. Jamison, superintendent of District #3, Elmer Gish and Mrs. Gish, superintendent of Sturgeon division, Frank Robinson and Mrs. Robinson, principal of Sir George Simpson School in St. Albert, Bob Prather and Mrs.

PHYLLIS KITTLITZ

Prather, principal of Father Jan School, John Kaminski and Mrs. Kaminski, Mr. and Mrs. John Curitiba and Mr. and Mrs. Fred Akks.

Mrs. Kittlitz, who teaches at Simpson School has been active in ATA activities and an executive officer for some years, said in her president's message that she has three priorities for teachers of tomorrow: "Education must become more child-centered, we must get rid of the grade

Please turn to Page 2

## Recovery slow - accident victims

Remember the two young men who found their way to the Pee Wee Quintal farm several weeks ago, suffering from severe frostbite to their hands? Well, one of the young men (the smallest one of the two) Ken Campbell has recovered sufficiently to now be at the Glenrose Hospital in Edmonton where he's taking extensive therapy and training his fingers

to co-operate. His big buddy Dale-Lea Wilson was not quite so fortunate. He is recovering in the Sturgeon General Hospital after losing the small finger on his right hand and the tips of two other fingers on the same hand. Dale-Lea is now waiting to be transferred to the Glenrose, rejoin his chum and get into a therapy and treatment program.

Last Friday was the first day St. Albert citizens had three sets of traffic lights functioning full-phase on St. Albert Trail and Edmonton Road, Ball Avenue and St. Anne Street. Above is the set at the Ball Avenue intersection controlling traffic and while this picture was taken a motorist didn't heed the lights and thus ran a red stop light. Local police have been lenient with offenders of this sort because they realize it takes time to get used to traffic controls at those intersections. However police will start issuing expensive tickets if motorists continue ignoring the controlled intersections.

## Book Fair Returns

People who have been enquiring about another book fair, will be happy to learn that this event, which proved so popular last year will be presented again in March at the Sir George Simpson School.

Anne Hapchyn and Pat Romanov are again involved in the arrangements, and they would like donations of all types of adult and childrens books, hard covers and paper backs, for all ages.

Last year they found they could have used more donated books, especially for youngsters, who can buy these for a dime. Second hand adults books will be on sale at the same prices as last year, 25¢ and 10¢.

New books will also be on hand at the Fair and it is planned to have a wider selection of childrens books from United Kingdom publishers. These were very well received last year,

from pre-school and up.

Anyone having books to donate to the Fair may telephone Anne at 599-3606, or Pat at 599-7312. The Fair will be held March 6 and 7.

## AROUND TOWN

Lorraine Moore of Grosvenor Blvd. has been forced to question the wisdom being a do-gooder in some areas if you're a woman. While helping a neighbor get out of a bad spot with her car, the board used for traction flew out and clipped Lorraine on the top of her foot. She carried on with the pushing but the foot gave way. A check with the doctor revealed no broken bones, but a very badly bruised foot. She is still hobbling and will not be able to do much dancing at the Lady Lions Sweetheart Ball Saturday. On top of everything else the place where the good deed was done was the United Church grounds.

## PSS Issue

Continued From Page 1

ell interpreted the act as saying in part that such evidence, given under oath must be supported by a legal form, the likes of which would have to be obtained since none was in stock in Town Hall at the moment.

As things got more complicated, John de Bruijn said that he failed to see the necessity of statements under oath, however he would entertain a motion of direction. On this note Councillor Frank Lukay recommended that council's committee of the whole seek legal advice immediately. A coffee break was declared, the townsolicitor could not be reached by telephone, therefore, the meeting resumed.

Mayor Gibbon made a motion that the PSS issue be tabled until legal counsel could be obtained. Councillor Lukay suggested that the PSS hearing be conducted next Monday, Feb. 19. Councillor Rod Thronson concurred by saying that the PSS question must be dealt with immediately. Deputy-mayor de Bruijn suggested that the proceedings relating to the PSS issue be conducted as a proper public hearing. It was at this juncture

that PSS Board Chairman Ron Gausse requested that the town solicitor be made available to the PSS Board. Chief Administrator Dan O'Connell said that if the procedure is to be that of a public hearing, all parties giving evidence would have to provide their own legal counsel.

Councillor Bob Hudson was most emphatic in his views that the whole thing had blossomed out of proportion. "I wish I could turn the clock back one hour, I would now vote against Councillor Fyfe's original motion." He qualified his feelings by making a motion to rescind Councillor Fyfe's motion. This was defeated. Mr. Hudson then recommended that the PSS issue be placed on next Monday's agenda and this received a favorable vote of 5 - 1 with John de Bruijn casting the negative vote.

Before the committee meeting went on to its 9:15 appointment, councillors and the PSS board members as well as the throng of interested citizens were informed that the PSS question would appear on next week's agenda, scheduled for 7:35 p.m. Councillor Fyfe commented, in relation to her original motion, that in her opinion oral presentations should be given under oath while written presentations could be received at face value.

## Pup Story Ends On Happy Note

Last week's puppy story in The Gazette led the owners of lost Ringo back to his rightful home and everybody is now very happy. Soon as Ringo's picture appeared on the front page of The Gazette Mrs. Phyllis Ducharme of 17 St. Michael found the family pet resting comfortably in Dr. Elizabeth Metz' St. Albert Animal Clinic. Ringo had injured his front left leg soon after his two rescuers Lorr Mitchell and Debbie Brook found the pup bound in a gunny sack along the Sturgeon River.

What started as a tragic story has now ended into a happy one which has attracted the attention of a major part of Alberta.

## Teacher

Continued From Page 1

system, and a year's internship is needed for student teachers with master teachers.

Theme of the convention was 'Preparing for Tomorrow: The 3 R's Revised,' and the program over Thursday and Friday has a heavy one, covering a great variety of subjects, of both general and specific interest to teachers, and including a number of workshops.

Outstanding speakers included: Dr. Arthur Costra, Dept. of Administration, Sacramento University, California, who posed the question "Is love missing in the classroom?" Dr. E. J. Tyler, professor of psychology Brandon University, whose topic was "Behavioral Correlates of Social Change." Dr. Len Sampson, a member of the first Canadian group to tour Red China after diplomatic relations were established, spoke on Education in the People's Republic. Jack McClelland, publisher of McClelland and Stewart spoke on the hidden resources of Canadian literature. From closer to home was Dr. Alan Snider, on social change and a look at

## Sport Forum

Continued from page 1

post-graduate work at U of A; Mary Ann Wasylchuk, in women's athletics, and graduates Hart Cantelon, Mike Mackie and Steve Baker who attended as observers, along with Marlene Kirk from the department of culture, youth and recreation.

Papers on three topics had been prepared by Jim Morell, May Ann Wasylchuk and Fred Gorgichuk. The "volunteer leader in minor sport" 'How to better utilize practise time,' and 'Competition and the influence of professional sport on community programs.' "These papers are opinion on our part - we have come here to see if we are on the right track," said Jim Morell, speaking first. He invited the public to make notes of questions arising, and ample opportunity was provided for discussion.

A coach, said Mr. Morell, "is a babysitter, a nose-wiper, a taxi driver, a scapegoat, a telephone operator and, of course, a teacher. For this he deserves a medal and all he gets is criticism and more work."

He spoke of what the goals of sport should be, the coach as a person, stressing his opinion that "more important than the teaching of skills, is the image the coach projects as a person." Mr. Morell felt it was important to find out why, while participation in sport for your youngest is on the increase, so is the drop-out rate among those over 14. To the point where an estimated 75 per cent of Canadians over 14 do not take part in a single physical activity on a once-a-week basis.

Mr. Morell thought every child should be exposed to a wide variety of sports at an early age, and that sport should provide equal oppor-

tunity for all who are interested - "That means not cutting from teams." He cited the example of Phil Esposito being cut from a bantam team at 14, saying "he came back - but how many don't?" Sport should teach fundamentals and it should be fun for the youngster, he felt.

Fred Gorgichuk quoted from the book 'Conspiracy Against Childhood' ending with the paragraph: "It appears in all our efforts to provide 'advantages' we have actually provided the busiest, most competitive, highly pressured and over organized generation of youngsters in our history. We seem hell-bent on the elimination of much of childhood."

He thought coaches and parents might have what are basically selfish motives, such as a desire to relieve one's life through the child, ego build up - the win-loss record is very important, and money. "When one looks at the income derived from a top junior hockey franchise in Canada, said Mr.

Gorgichuk, "it is not hard to see why many of these operators go to great lengths to move boys as young as 14 and 15 all over the country. Regardless of the effect on the boys." He felt that whether unintentional or not, selfish motives can often lead to physical or emotional damage to kids.

He raised questions such as what it must feel like to be a 12 year old goalie who is replaced by a pick-up from another team when playoffs start. Mr. Gorgichuk felt that even adults would have trouble handling such situations. He was concerned also with violence 'as part of the game.'

In view of the interest shown and points raised by members of the audience on many aspects of amateur and minor sport programs, the Gazette will cover the next two weeks go into the papers given by the university people and the positions expressed by local residents in greater depth. The subjects under discussion are currently of considerable interest across Canada.

## Equipment Quotes Accepted As Tabled

Price quotations were tabled Monday night at the committee meeting by town engineer Jan Maandag for additional heavy equipment to be added to the town's present fleet. The list included two tractors, a snow removal unit, four half-ton trucks, one three-ton truck, complete with gravel box and a rescue vehicle.

The purchase of the above described units are covered by bylaw 34/72 excepting the high centre gravity tractor defined as a Ford 3000. This item received committee approval for purchase on a motion by Councillor Luky by a 6 - 0 vote. The only units which failed to receive unanimous approval were the four new half-ton trucks. While speaking on a motion made by Councillor Bob Hudson, Mayor Gibbon pointed out that these four trucks are brand-new units, to be added to the present fleet of town vehicles and he failed to see why they should be purchased at this time. Mr. Maandag, in an attempt to qualify his position said that these trucks are urgently needed, should have been added to the fleet last year and strongly recommended that they be purchased. When the vote was taken the count

came out 4 - 2 in favor of the motion. Dissenting votes were cast by Mayor Gibbon and Councillor de Bruijn.

The prices for each unit as approved Monday night are listed as follows: Ford tractor (#8000) \$3,900; Ford tractor (#8500) \$5,000; and the snow blower equipment \$960., four half-ton trucks \$13,572; one three ton truck \$6,983 plus a gravel box for same \$1,715 and a rescue vehicle for the fire department \$4,509.00.

Grandpa Berube holding the plow with a four-horse team driven by Maurice Gobell. Picture was taken by the river bend near the Vital Majeau farm, four miles north of Villeneuve in 1936.

## Around Town

The St. Albert Lions and Leo Clubs are now taking order for indexing alphabetically new 1973 Edmonton telephone directories. Businesses and residents who are interested simply call Wade Davis at 599-4810 or a volunteer Lion or Leo member will pick up your telephone directory and deliver it back to you once it has been indexed, all for the mere sum of \$1.00. In order to avoid confusion the two clubs want it to be known that they're talking about the Edmonton Telephone Directory and not the local St. Albert directory.

The town sponsored entry

In Wetaskiwin's North-At Winter Carnival last Sunday had a bit of hard luck and thus failed to bring home the prize. Walter Semotuk of 2 Glacier Place motored to the Wetaskiwin event, accompanied by Mrs. Semotuk and Dr. Thomas (his pitman). Walter's 440 Super Stock unfortunately developed clutch trouble during its first elimination run and therefore was disqualified.

Its folks and kids tournament time at Grandin Bowl. The first shift was bowled last Sunday and reservations are now being taken for the next three Sundays. Come out folks and try your luck to out-bowl your youngsters. The event goes in peewee, bantam, junior and senior divisions. The winners in each division goes on to Calgary for the provincials. Call Grandin Bowl 599-6221 and book your time today.

The Youville Auxiliary ladies held a party for Joseph Berube Friday afternoon in honor of his 100th birthday, and presented him with a handsome electric razor, something he had been wanting. About 10 members were present in the foyer at the Home and Grandpa Berube received a birthday kiss from all. The ladies also provided a beautiful cake for the occasion. On her 10th birthday, celebrated recently Mrs. M-Ara was treated to a permanent wave by the Auxiliary. At their meeting last night they planned a dance for the patients to be held in the foyer, when the local KC band will provide old-time music.

Cathy Halsworth, pollution worker, and Dennis MacInnes, youth worker under the PSS program, are

## Teen Centre plans Call & Collect drive

A memo from Mark Cunningham, chairman for the St. Albert Movers, advises that the Teen Centre is having a "You Call - We Collect" drive to gather up items needed by the young people to accommodate the increasing number of teens coming to the centre.

Used furniture, material for patch work projects, kitchen hardware and supplies for arts and crafts are the items needed. The Call and Collect idea is to have residents telephone advising what items they have and where they may be picked up, and then the teen-agers

do the pick-up.

The number to telephone at the centre is 599-8786 and this Saturday, Feb. 17 is the day - between 10 a.m. and 7 p.m.

An open house for parents is being held at the Teen Centre on Thursday, Feb. 22 from 7:30 - 11 p.m. Ideas and help from both teens and parents would be appreciated by the Movers. Speakers and slide presentations are the program for the open house, and coffee and doughnuts will be served. President Monte Gagnon is hoping that a good turnout of local residents

will visit the centre that evening, and also support the call and collect drive.

## AROUND TOWN

The St. Albert Council, Knights of Columbus, entertained a number of special guests at their annual Wine and Cheese Tasting held Saturday evening at the Community Hall. Emcee Al Alain introduced Father Tetrault, Father Levangie, Dick Ryley of the St. Albert Lions Club, Ernie Jamison M.L.A., Mayor Ray Gibbon, Denny Taylor of the St. Albert Legion, Grand Knight George Hartmetz, John Bauman, Master of Balmoral of the Masonic Lodge, and Chuck Meurin representing the Breakfast Lions Club on behalf of President Stan Shottland. Dancing and late supper followed the Wine and Cheese and a good crowd enjoyed a lively evening of fun.

Clubs will be getting together at 8 p.m. Saturday night, February 17 - St. Albert Community Hall to enjoy good entertainment, dancing, fun and games as well as a sumptuous smorgasbord at midnight. For further information call - Loretta Cady 599-7833.

## Hockey Coach speaks out An invitation to Senior Citizens

The Editor:

Parents complain about hockey but maybe its time that a coach tells his side of the story. Some parents start their children skating at 3 1/2 or 4 years old. By the time they reach 6 years old there is no problem for a coach to make a hockey player out of that child. Other parents send their children at 9 years old and expect the coach to make them top skaters and hockey players in four months. Parents blame the coach for not playing their child but all the time they are the ones to blame for not bringing their child skating when he was younger. Some of these parents never come and see a game during the whole season. They never drive the child to the games, in or out of town. They don't seem to want to get involved because they might have to do a little work for their child. Like tying skates and taking care of some of the equipment. The only way they find out that their son didn't play is when he comes home and tells them. If these parents would come to the games their child would play alot better and they could see his weaknesses and they could help him by bringing him to public skating.

If, throughout the season, the coach plays all the children on the team and they hardly ever win a game the parents complain about how lousy the coach is, you never hear them say "At least all the children played."

Don't SEND your child to learn about sportsmanship, be a sport yourself and BRING him!

Maurice E. Pelletier,  
Legal, Alberta.

## Notice of Public Meeting BOARD OF TRUSTEES

ST. ALBERT PROTESTANT SEPARATE  
SCHOOL DISTRICT NO. 6

The annual public meeting of the electors of the St. Albert Protestant Separate School District No. 6 will be held as indicated below.

WEDNESDAY, MARCH 7, 1973 -- 8 P.M.  
PAUL KANE HIGH SCHOOL  
12 CUNNINGHAM ROAD, ST. ALBERT, ALBERTA.

Copies of the minutes of the last annual meeting and copies of the 1972 Financial Statement can be obtained from the undersigned prior to the meeting.

G. HARGREAVES,  
Secretary-Treasurer.

The Editor:

Senior Citizen, are you aware that we have a club for you in St. Albert.

The club is sponsored by the Lions Breakfast Club of this town. Our president is Mrs. Szuba, 599-8809 and we meet at the St. Albert Community Hall, bi-monthly.

The Lions Breakfast Club have done a wonderful job in their sponsoring, by keeping in touch with us, and encouraging us to get out and meet each other, making friends, and caring for our requirements.

The Lady Lions have a car-pool, and will see you get a car ride to and from the meetings.

We have card parties, films, and many other entertainments plus coffee and cookies.

Please join this club and you will find out how the other Senior Citizens enjoy themselves. Do not wait to be asked, just come along and our president will see to it that you are introduced to us all. Language is no excuse, as we have people who are bi-lingual and make you feel that we need YOUR friendship too.

So get behind the Lions Club of St. Albert and let them know that you appreciate their efforts. For a car ride phone 599-8809 or 599-6253. Next meeting is Thursday, February 22.

Nora Lancaster.

P.S. Our thanks go out to the Community League for the free use of the hall, and the kindness they show us.

One enterprising businessman floated into Dawson City during the gold rush of 1898 with a cow and achieved his ambitions to be the first man to sell fresh milk in the Klondike. He charged \$30 a gallon and was immediately nicknamed "Cow" Miller.

"What does brotherhood mean, Dad..."

And what about the emotional and mental welfare of the child who has difficulty learning in school?

Walter Coombs, director of Mental Health/Alberta will address the regular public meeting of the Sturgeon-St. Albert Association for Children with Learning Disabilities to describe his views and experience concerning the learning disabled child.

The Canadian Mental Health Association presented the Edmonton Association for Children with Learning Disabilities with an award of merit in recognition of outstanding and sustained achievement in this inter-related field.

Mr. Coombs' background includes extensive experience in psychiatric nursing,

as well as a masters degree in social work. He is well known as an outspoken, dynamic man and nationally known as a leader in mental health.

It may be noted that the learning disabled children with whom Mr. Coombs comes in contact are those whose emotional well being has been threatened, due to academic frustration and failure.

Because of the vital interest and concern shared by Mr. Coombs with parents of children with learning difficulties, he has much valuable information and experience to offer.

The public is urged to attend this meeting sponsored by the SSAACLD to be held Monday, Feb. 19 at 7:30 p.m. in the Music

## St. Albert Pioneer Passes At 71

Father Jacques Joly conducted funeral services on Saturday, Jan. 27 for John Patrick Cunningham, who died January 25 after a long illness, the victim of cancer. He was 71 years old. St. Albert Roman Catholic church was crowded with friends and relatives for both prayer services and funeral services for this loved and respected oldtimer.

Six of Mr. Cunningham's nephews served as pallbearers: Chester Cunningham, Vital Hodgson, Neil Hodgson, Herbert Draney, Glen Gray

and Ross Donald. Music was provided by Mrs. Doris Teller and Father Levangie, with organist Bertha Kennedy.

Mr. Cunningham is survived by his wife, Mary, son Eddy and daughter Pat (Mrs. Gabe) Desnoyers of St. Albert, seven grandchildren: Rhonda, Laura, Todd and Carmen Cunningham, and Russell and Janice Desnoyers; four sisters Mrs. Walter (Maria) Cunningham, Edmonton; Mrs. Toby (Helen) Hodgson, St. Albert; Mrs. Dean (Bess) Draney, Salmon Arm, B.C.; Mrs. Robert (Della) Gray, Edmonton; and many nieces and nephews.

Patrick Cunningham, son of Mr. and Mrs. Henry Cunningham, one of St. Albert's earliest pioneer families, was born on the family homestead, one of a family of six. He was predeceased by a brother, Adolph. Mr. Cunningham farmed the homestead four miles west of St. Albert on the Big

Lake road, from a young man until his retirement about two years ago, and continued to live there until his hospitalization. The couple marked their 46th wedding anniversary on Jan. 18th.

An ardent church supporter all his life, Mr. Cunningham used to travel with his uncle, Father Edward Cunningham, when he was in the vicinity, and for 44 years he never missed the pilgrimage to Lac Ste. Anne, until illness prevented him going last year.

## Around Town

Next Sunday Mrs. Evelyn Unger, founder of the school for children with learning disabilities will be guest speaker at the St. Albert United Church. Mrs. Unger founded the school for Language and Learning Development at 6755 - 88 Street, Edmonton in 1964. She won the Reader's Digest Award for the best rehabilitation program in 1966, she is currently a guest lecturer at the University of Alberta and has been deeply involved with various councils in the areas concerning exceptional and handicapped children. Mrs. Unger's topic next Sunday February 14 is entitled "Emotional and Learning Disorders in Children."

Ceri Peterson, left, David Scammell and Valerie Osborne get into the heavy (and hilarious) action in scene two of *Suppressed Desires*. Theatre fans can catch the action this weekend in St. Albert High auditorium.

## Meals on Wheels plan advance

A fairly good turnout for the meals on wheels meeting, held last week at the Sturgeon health unit office, included some new people, reports Owen Law, supervisor of nursing at the unit. Some were interested observers from local organizations.

The project, which will come under Preventive Social Services has enough volunteers to get it started, but there has been some difficulty getting people for a board of directors.

Mrs. Law suggested that a committee could work under

an existing board to start with, such as the Help Society. The meeting agreed this would be a good avenue to explore.

Mrs. Hetti Blades, a local resident with experience in the service in Edmonton, has volunteered to co-ordinate the meals on wheels program, and Mrs. Jackie Howell would assist her, also on a volunteer basis. Mr. A. J. Sonntag would serve on the committee in charge of supplies. Mrs. Law would also serve in an advisory capacity, as health unit nurses would be in charge of assessing persons in need of the service.

At the moment two people have been assessed to qualify, and there are one or two more probable users. Mrs. Law felt that even for three or four it would be worthwhile - "very often communities don't know the need until the service has been established and becomes known." There are roughly 200 people over 65 living in St. Albert who are not in Youville Home, she noted. Supplies of trays, plates and disposable equipment and so on would be only a nominal expense, and with volunteers available and the

possibility of using a committee under an already existing board, substantial economies could be made.

Hospital Administrator Cliff Keyes, PSS Director Mona Acker and Mr. Sonntag will draft up a proposal on funds required, and local organizations will be approached for assistance. Mrs. Liesbeth Bakker and Mrs. Acker agreed to work on a brochure outlining the project.

The next meals on wheels meeting will be held March 6 at the health unit office, April 1st is a possible date to get the service underway.

## Bruins lose two more - slip to fifth place

St. Albert Bruins junior team took it on the chin two more times dropping a 8 - 5 game Sunday at home to North Side Comets and a 10 - 4 thumping Monday at the Gardens against South Side Meteors.

League statistician John Mulligan of the U of A is missing seven league game sheets and as a result it is not known for sure if the two losses put the Bruins in fourth or fifth place in the six-team league.

On Sunday, at home, the Bruins went out in the first period and put it all together for a well deserved 3 - 0 lead. Jan Kristensen, Doug Ferguson and Marcel Tourangeau scored in that order.

North Side appeared to be coming on in the middle period and outshot the Bruins 9 - 5 and outscored them 3 - 1. Dave Lebech scored the Bruins only goal after the Comets had scored twice early in the period.

In the third period the Comets had it all to them-

DOUG FERGUSON

selves scoring wise, as they came up with five goals including three in a row early in the period for a 6 - 4 lead.

Doug Ferguson picked up his second of the game at 14:29 and appeared to give the Bruins a boost they needed. However, at 18:32 Bruins defenseman Greg Hatch lost the puck in the Comets end and Bob Foot

had a breakaway and scored. Foot added his third of the afternoon at 19:09 and Bruins were defeated 8 - 5.

Bruins took nine of 16 penalties assessed and outshot the Comets 26 - 19.

Monday night's game was another nightmare for Bruin coach Rick LeLacheur as his club took a 10 - 4 drubbing.

Ray Gauthier gave the Bruins their only lead of the game when he scored an unassisted goal at 10:10 of the opening period.

From there on it was all South Side as they scored two late in the period to tie the game and added five more in the second to put it out of reach. Both clubs scored three in the final 20 minutes but by that time the writing was on the wall for St. Albert.

Marcel Tourangeau, Jan Kristensen and Jim McComb scored for the Bruins.

Bruins seven penalties cost them five goals as South Side put their effective power play to work.

Bruins next home game will be this Friday at 8 p.m. when the U of A Bears will be here.

After that the Bruins will have only two league games remaining with Sherwood Park here Feb. 25 and North Side Feb. 27. Both games will be important for playoff position.

## Juvenile Action

St. Albert's juvenile team coached by Dave Mozil, scored a close 4 - 3 win over Stony Plain last Monday. Dave Grice scored the winner at 12:25 of the third period on a pass from Scott Ballentine.

Grice also scored the first goal and assisted on the second marker scored by Leo Perras. Roger Poullot scored the other St. Albert goal.

Each club picked up 11 penalties each.

## Comets Clinch First Place - Score 6th Straight Win

St. Albert Willowbrook Comets weekend victories over Winterburn Tomahawks (15 - 9) and Sherwood Park Barons (9 - 4) clinched first place in the regular standings of the eight-team Edmonton Central Hockey League.

Comets are having a fantastic year winning their last six in a row and 19 out of 23 games played. They also have one tie.

With only five games left to play the Comets are untouchable. They finished in fourth place last year, 15 points behind Stony Plain Eagles.

They are the highest scoring team in the league with 167 goals and have allowed the least goals, 88.

Comets leading scorer Henry Hodgson picked up 10 valuable points on four goals and six assists in his race with Leo Provincial of Westlock for the league scoring title. Exact statistics are not available to date.

Comets won both games in the third period scoring a total of 11 goals. Friday night's game was a goalies nightmare and a scorers dream as 24 goals were registered.

picked up their second goal of the game. Brian Stevens added two more late in the period and Ron Fournier scored the final with 15 seconds left to play.

Rich Perrault and coach Gary Checknita played strong games adding seven assists.

Sunday night in Sherwood Park saw assistant coach Al Laplante take over the coaching duties, as he did not dress due to a pulled groin muscle that has been bothering him for a few games.

Laplante saw the Barons take an early 2 - 0 lead and then his Comets fought back on two goals by Perrault to tie the game. Barons managed to take the lead once again with only 35 seconds left in the opening period.

Comets fell behind two goals again as Sherwood Park scored their fourth goal with only a minute and a half gone in the second period.

From their on Laplante had things his own way as Comet goalie Zane Jakubec shut the door and St. Albert scored two goals in the second by Wally Monson and Ron Fournier to tie the game. The third period was all Comets as they banged in five unanswered goals. Henry Hodgson added two including the winner while Monson got his second. Ted Rogers and John Arnot added the others.

Laplante also had the services of Harvey Kirkland

TED ROGERS

who is returning from a shoulder injury after missing five games. He picked up two assists and will help the club down the playoff trail.

Due to the provincial playoffs the game scheduled for St. Albert Sunday with Comets and Leduc has been cancelled.

Comets second game of their two-game total goal series will be played instead Sunday in St. Albert at 2 p.m.

Should the Comets get past Ray's they will play Jasper in a two-game series that must be finished before Feb. 25th. Dates for that series are not finalized to date. Comets have beat Ray's in three straight league games outscoring them 25 - 12.

## Bruins Change Coaches

Ron Yanosik, president of the St. Albert Bruins hockey club advised the Gazette late Tuesday that coach Rick LeLacheur has requested a coaching change in order to get the team back on the winning track.

A meeting was held last night following a 10 - 4 loss to South Side Meteors, between the club executive and player representatives and Yanosik will take over the coaching duties for the balance of the season.

LeLacheur is remaining with the club and has been appointed general manager, a position he will fill very well.

Yanosik states each and every player has played excellent hockey from time to time but just can't seem to put it together all at one time.

RON YANOSIK

Bruins are fighting for fourth place with North Side and Sherwood Park.

JIM READ

Comets took a 3 - 2 first period lead on goals by Ted Rogers, Tom Ramshaw and Jim Read. They increased their lead to 9 - 6 after two periods as Read and Rogers added two more a piece for hat tricks. Doug Bell and Henry Hodgson scored singles.

In the third period the Comets stopped skating for the first half of the period and saw Winterburn tie the score 9 - 9. St. Albert then settled down and scored two goals in a little over two minutes as Doug Bell and Henry Hodgson each

## Calahoo takes big lead in semi-finals against Legal

Calahoo Scorpions, first place finishers in the Sturgeon Valley senior hockey league, took a stranglehold on their best of five semi-final series with Legal Canadians by winning the first two games. Both games were by far the most exciting the league has seen this year. The opening game was won on Jake Contant's goal after 39 minutes and 40 seconds of overtime giving Calahoo a 4 - 3 win. The second game was also won (5 - 2) by Jake Contant's goal early in the third period.

The opening game of the Calahoo and Legal series was a crowd pleaser from start to finish with both clubs going all out in search of a victory.

Dennis (Red) Pelletier took a pass from Remi Cyr and Guy Charrois before blasting a 30 footer past Scorpion goalie Gerald McGinn to give Legal an early 1 - 0 lead at 3:25 of the first period.

Calahoo tied the game at 5:20 when little hustler Albert Wandler tipped in a shot from the point by Roger Berube.

Legal took four of six

penalties in the first period including a game misconduct to defenseman Gary Kalyn for disputing a referees call.

Scorpions took a 2-1 lead at 8:10 of the second on Claude Contant's unassisted goal only to have Bobby Pelletier to the game for Legal at 9:50, when Guy Charrois scored with Henry Charrois assisting. With less than two minutes left in the period Guy Charrois gave Legal a 3 - 2 lead on a power play goal with Roger Berube sitting out a holding penalty. Calahoo took five of seven penalties called.

Legal appeared to be on their way to a victory, with excellent positional play and some outstanding goaltending from Garnet Kalyn.

Claude Contant managed to get around Bert St. Martin along the boards and his perfect pass out was slapped home by rookie Jack Wozny at the 12:01 mark to give Calahoo a 3 - 3 tie. Both clubs had excellent scoring chances in the final eight minutes but couldn't find the mark.

After a short rest a 10 minute period was played with both clubs giving the sell-out crowd tremendous end-to-end action.

League rules call for sudden death play after the opening 10 minute straight-time period. After 19:40 of sudden death, Jake Contant intercepted a stray pass and faked a shot on defenseman Bert St. Martin. St. Martin went down to block the shot but Contant drove around him and beat Kalyn to the outside corner for the winning goal.

Sunday's game in Legal saw some more excellent hockey with the first period scoreless. Legal opened the

scoring on a goal by Gib Daves at 5:52 of the second with Henry Charrois and Bob Pelletier drawing assists.

Jay McGeough scored an unassisted goal on a breakaway at 7:43 to tie the score and Doug Louch gave Calahoo a 2 - 1 lead at 10:15 drilling in a shot from close in. Andre Contant and Roger Berube assisted. Both clubs took six penalties each.

Jake Contant wasted little time in the third period scoring at the 33 second mark with Doug Louch helping out. The goal also proved to be the winner as Legal only managed one more goal: Ray Brisson's tally at 9:45, set up on a perfect pass from Laurent Coulombe.

Jay McGeough scored his second goal of the game at 12:07 and Andre Contant finished the scoring at 14:30.

The game was a disastrous one for the Kalyn brothers with Gary getting knocked out cold after being checked by Calahoo defenseman Al Wirtz early in the third. He was carried from the ice and did not return although appeared to be alright after the game and probably won't miss any action. His brother Garnet (goalie) was struck flush in the face on a deflection but fortunately he was wearing a mask. He was knocked down but escaped serious injury.

## Braeside rink wins bonspiel

A combination of sharp shooting and energetic sweeping led the way to victory in the 13th annual Presbyterian Men's Curling Bonspiel for a rink from Braeside Presbyterian Church. The bonspiel held on Saturday at the Sportex

## Morinville - Bon Accord series tied after two

The semi final series between Morinville and Bon Accord in the Sturgeon Valley senior hockey league is deadlocked after two games.

In Morinville's 6 - 3 win over Bon Accord on Friday, six players shared in the scoring. Fred Hesse scored the only goal of the first period at 11:20 with O'Neill Chevallier drawing the assist. Morinville raised their lead to 4 - 0 on goals by Chevallier, George St. Laurent and Doug Dersch before Bon Accord finally got on the scoreboard at 16:02 when

Dale Lewis scored an unassisted goal. This appeared to pick Bon Accord up as Barry Campbell scored at 17:43 to cut Morinville's lead to two goals as the period ended.

Morinville wrapped up the game midway through the final period on goals by Rick Pugliese and Rene Chevallier. Bill Ullman got one back for Bon Accord at 17:58 of the period but it wasn't enough as Morinville took a one game lead in the best of five series.

The lead was shortlived with Bon Accord taking the

second game on Sunday 6 - 4 as Barry Campbell scored three goals. In the second game of the series Bon Accord allowed Morinville a 1 - 0 lead on Norm Bohl's first period goal at 8:44 but came back with three of their own to take a 3 - 1 first period lead. Dale Lewis got things started at 12:41 followed by Bill Ullman's goal at 15:29. Both goals were set up by goalie Roger Knapp which has to be something for the record book.

Two second period goals by Campbell and one by Ullman put the game out of reach although Morinville did manage to score three goals, all by O'Neill Chevallier.

Both teams play in Morinville Friday night at 8 p.m. in a game that could decide a winner to advance into the finals.

next year will be hosted by Knox Presbyterian Church, Red Deer.

drew over 40 rinks from Presbyterian churches across the province.

Skipped by Gordon McIndoe, the Braeside rink of Dave Adlard, Lyn Clark, and Bill Bissonnette collected 54 1/2 points out of a possible total of 64 1/2. Rinks from Red Deer and Calgary placed second and third respectively.

Two other rinks from Braeside Presbyterian also entered the bonspiel and gave a very fine showing. The rink of John Derijk, Norman Hill, Noel Gordon and Colin McKenzie won two games and tied the third; while the rink of Loyd Sherburne, Ken Crerar, Jim Dobbie and Wayne Bissonnette won two and lost one. The excellent curling by all three Braeside rinks against some stiff competition resulted in their being awarded the trophy for the church with the highest combined total of points.

The day long bonspiel concluded with a banquet for the 200 curlers and officials at First Presbyterian Church. Following the banquet a short but enjoyable program of musical entertainment was provided. The bonspiel

## Several teams make it to provincials

Once again its provincial playoff hockey time and St. Albert has a number of teams participating.

### MIDGET C

Only one game has been played to date with St. Albert's midget C team coached by Doug Foreman and Mike Hample losing a 5-3 decision to Whitecourt last Saturday in St. Albert. Whitecourt took a 4-0 lead midway through the second period before St. Albert fin-

ally got untracked. Steve Foreman and Dean Hunt scored for St. Albert only six seconds apart to cut Whitecourt's lead in half as the second period ended. Both clubs scored one each in the final period with Lory Moore getting St. Albert's goal. Our team now travels to Whitecourt this Sunday for the second game in the two-game total point series.

St. Albert's other midget C representative team coa-

ched by Fred Zotti and Nelson Yes, play their first game in the two-game total point series with Morinville Thursday night at 8 p.m. in St. Albert. The second game is scheduled for Morinville on the weekend but exact date and time not available.

### BANTAM B

The Fire Chiefs coached by Doug Millroy received a first round bye and are now awaiting the winner of Leduc and Drayton Valley. This point series has to be completed this week as St. Albert has to play the winner before Feb. 25. Dates should be available for next week's Gazette.

### MIDGET BB

Ted Lotocki's Sportshop Barons go against Westlock in the first round of the midget BB series with the opening game slated for 8 p.m. in St. Albert. The second game gets underway on Sunday in Westlock at 11:45 a.m. St. Albert will have their hands full as they won only one of six games against Westlock in the regular league schedule.

## N.A.L.C.A. Spiel starts Monday — hosted by St. Albert

The NALCA annual bonspiel gets underway next week and bonspiel chairman Shirley Fisher advises that the event, being hosted this year by St. Albert Ladies Curling Club has attracted 105 entries. Local skips are Caelle Como, Betty Anderson, Doreen Dolman and Pearl Quintal.

Betty Anderson will represent the St. Albert club in the Edmonton Journal. Points competition being held Monday evening in St. Albert, after which the Jour-

nal will host a coffee party at the rink.

The public is invited to come down Tuesday morning at 8:45 for the colorful opening ceremonies, when members of the RSCC Warrior Corps will be flag bearers and pipers. M.L.A. Ernie Jamison and Mayor Ray Gibbon have been invited to officially launch the bonspiel.

A Happy Hour for the curlers takes place Tuesday from 3:30 at the Capilano Motor Hotel and the banquet

will be held Wednesday at the same hotel at 7 p.m.

Play in the finals of the six events goes Friday afternoon in St. Albert, starting at 3 o'clock and fans are invited to come and see the action, then and throughout the week. In all eight rinks are being used for the 'spiel, and the local

curlers have had a goodly amount of organizational work as host club.

# St. Albert High students stage lively carnival

The students of St. Albert High took a break from regular classroom studies on Feb. 7 and spent a very enjoyable day at the St. Albert Arena taking part in winter carnival games and activities.

The first activities for the day took place at the high school and consisted of tug-o-war contests and snowshoe races. The team captained by Greg Ladacoeur won the tug-o-war over all comers. The girls snowshoe winner was Joan Sheehan with Anne Marie Leonard finishing second. In the boys competition, Chris Mickelson came in first with Darrell Martindale placing second.

All students moved to the arena for the remainder of the day and boys hockey was first on the agenda with Grade 11 playing Grade 12. Claude Regimbald, Geoff Holden, Roger Meunier and Terry Kleser scored for Grade 11 in a 4-2 win. Girls broomball was next and the Grade 10 girls took a close 1-0 decision from the combined Grade 11-12 team.

A score-contest was then held with Linda Wilson and John Boxall proving to have the most accurate shots. The kamatic race was won by

the team of Cindy Smith, Sandy Willas, Terry Kleser and Mr. F. Hoerber.

Carnival queen, Marlene Kleser, was introduced at this point and after being presented with a gift donated by Sweetheart Jewelry and a gift certificate from St. Albert Sportshop she was escorted around the ice surface on the winning kamatic.

Two Grade 10 boys teams then had a very close hockey game. The 10A team emerged with a 4-3 victory on goals by Chris Hoffart, Paul Messier, Bob Longpre and Dean Bokenohr.

Action shifted outside as Cindy Smith and Lorraine Maloney won nail pounding contests and Doug Reinbold and Gord Grant teamed up to win the log sawing.

Immediately after moving indoors the crowd was treated to an entertaining display of figure skating by Susan Pavelsch and Joanne Hunt. This event was followed by the boys hockey final in which the Grade 10 all-stars took on the Grade 11 team. After regulation time the score was 1-1 until Dennis Sanche scoring for Grade 11 and Dan Provencal for Grade 10. The goalies were removed for the overtime session and Claude Regimbald scored the winning goal for Grade 11 as he was awarded a penalty shot.

The girls then donned the hockey equipment and provided the most laughs of the day as the Grade 10 team held the Grade 11-12 team to a scoreless tie. The goalies were removed and play resumed but still no one could put the puck in the net. Finally each team selected a representative to shoot at the empty net from centre ice and Eileen Gleason scored to give the Grade 10

girls the victory.

The final contest pitted the boys All-Stars against the staff in a hockey game and the students skated to an easy victory in a cleanly played game and Dennis Sanche and Gerry Langevin each scored two goals and Ray Gamache added another as they outscored the staff 5-1. Darrell Sheehan was winner of the grad prize - two tickets to an Alberta Otter hockey game - courtesy of Mr. Meleshko of St. Albert Pharmacy.

Other prizes that participants received during the day were donated by St. Albert Dairy Co-op, Klondike Inn, Red Onion Pizza and the St. Albert Arena.

In addition, the winning girls hockey team and the winning boys hockey team will receive complimentary tickets to an Edmonton Oil King game.

## Building Permits Spiral Over \$6 Million in '72

In a report from J. D. Roberts, building inspector, the total 1972 building activity for the town of St. Albert amounted to - \$15,810,593, an increase of \$6,380,639, over 1971 when 715 building permits were issued.

A breakdown of the total 1,069 building permits issued during the year show that 894 were for single family dwellings. The remainder included 47 improvements to property, 107 family garages, 12 commercial buildings, one institutional, three carports, two private swimming pools, two storage sheds, two industrial complexes, one bandshell and the largest single item being the town's new water reservoir.

As of the end of December 1972 available serviced lots were shown as follows: 291 in Forest Lawn; 40 in Lacombe Park Phase 4; 5 only in Braeside; 42 in Mission Park and 238 in Grandin Park. At that same date, under construction and unserviced lot inventory showed that there are 147 in the

The front row of smiling faces belong to new Super Lions, inducted last Tuesday by District Governor Rock Holman shown standing in the rear left, next to Lion President Dick Ryley. The inductees are: Dick Wilson, John Scott, John Van Buren, Andrew Benko, Ken Proctor and Dr. Slagh.

Britain's first great postal reformer was Thomas Witherings who was appointed by Charles I.

# Council Roundup

St. Albert Auto and Marine Sales received unanimous consent of committee of council Monday to proceed with a zone amendment bylaw, a re-zoning bylaw and the preparation of a development agreement. The firm, represented by Mr. J. Saunders described plans for the proposed automobile and marine supply sales business which include a modern building located north of the Gulf Service Station on St. Albert Trail, parking and landscaping plans as well as accesses and dedications.

Councillor Frank Lukay made a recommendation that a bylaw be prepared to amend the zoning bylaw to accommodate the site for its proposed use. That motion was carried 6-0. Councillor Lukay also made a motion that a bylaw be prepared to rezone the rear portion of the property to C-3 and that was carried 6-0 so was the public hearing set for Monday, Feb. 19. Mr. Lukay made the third and final motion that staff prepare a development agreement subject to recommendations recorded by town engineer Jan Maandag, town building inspector Jim Roberts, and town planner Wayne Gordon. This motion was also carried by a 6-0 vote.

Legionnaire Reg Bremner speaking on behalf of the Royal Canadian Legion proposed at a previous meeting of council that the Legion be granted a long-term lease for additional lands adjacent to the present Legion property. Mr. Bremner explained to council that plans for the proposed complex

cannot be accommodated on present Legion land therefore more space is required. At Monday's committee meeting, Mr. Bremner's appeal was discussed further and several alternatives were investigated. One of the alternatives was a long-term lease of that portion of St. Thomas Street, from Tache to Remas, also Remas Street from St. Thomas to the lane lying south of the street. Another proposal was a property swap between the Legion and other town-owned property.

Mr. Bremner told committee of council that the Legion was wide open for suggestions because they had a great need for a suitable site for their proposed complex and would therefore want to know the exact dimensions of the site before the architect could produce an acceptable set of plans. Deputy-mayor de Bruijn voiced his opinion that the Legion ought to meet with town staff and discuss the matter in greater detail then come back to council with a firm proposal. That motion was picked up by Councillor Rod Thronson to table the issue and this carried a vote of 4-2 with Mayor Gibbon and Councillor Lukay voting against.

The proposed Club Mocombe extension project negotiated by Lorne Development was again referred to staff and scheduled to reappear on next Monday's regular council meeting agenda with recommendations which might see this project get off the ground.

A representative of Imperial Lumber Co. Ltd., met with the committee of council Monday to obtain title to its property located here in St. Albert on Perron Street. According to the records, said title was not transferred by the town but as a result of the appeal made by Mr. George Cooley, office manager of Imperial Lumber, committee of council agreed unanimously to produce the title in question Monday to obtain title to its property located here in St. Albert on Perron Street. Mr. Cooley explained to members of council that his firm was con-

sidering the sale of their Perron Street property with plans to relocate on St. Albert Trail.

Regarding the Joint Fort Saskatchewan and St. Albert sponsorship of a \$1,500 AUMA convention function, committee of council Monday evening agreed to recommend the expenditure of \$750, being the town's share for a 1973 AUMA convention function. With the recommendation, subject to ratification at Monday's regular meeting, Mayor Ray Gibbon added that the money be paid to the AUMA Planning Committee and used as it deems feasible. The 5-1 vote carried the motion with Councillor Hudson registering his opposition.

## Scouts enjoy hike cookout

Thirteen scouts of the 3rd St. Albert troop, accompanied by four adults, were well dressed against the cold wind for a hike and cookout recently. They met at Sir Alexander Mackenzie school and hiked out to the girl guide campsite.

Leader Al Barnes, group committee chairman Tom White, counsellor Don Horne and Val Boorse, father of a scout, enjoyed the outing also. Al divided the boys into two groups for a snow-shoe race in a loop through open country, across the river, up the bank and through the bush. A few deer tracks were observed in the area.

A bus taken out for a base camp got stuck but was freed and the cook-out went on as planned.

Lord Protector Cromwell pushed through a Post Office Act in 1657 which established the position of "Post Master General."

Cathy Halsworth is a mean hand with a camera and has been using it to point out some of the eyesores around town. As a pollution officer, Cathy hopes to help convince people that a little effort might greatly improve our town's appearance.

## HAVE YOUR CARPETING BEAUTIFULLY CLEANED IN YOUR OWN HOME

In a matter of a few hours, we can revive its original beauty and freshness.

We use the famous Von Schrader dry-foam method. No moisture goes through to the underside to damage the pile or sizing. There is no odor. Rugs can be, used the same day.

Proudly displaying their new rank insignia pictured here are 11 Air Cadets of the St. Albert Squadron who recently received promotions. Back row left to right John Humbert, Robert Carroll, George Howie, Vivian Bendick, Gary Bondarvich and Wayne Bissonnette; front row Martin Timmer, Melvin Gullberg, Vince Torpy, Guy Tomash and Darrell Tookey.

## 'Fam Flight' Thrills Cadets

It was touch and go for a while at the International Airport on a recent Sunday afternoon. Many of the new-

est cadets in the St. Albert Air Cadet Squadron were given familiarization flights in the Otter Aircraft of 418 Reserve Squadron.

This familiarization, or "Fam Flying" which is easier to say, is not only intended to provide an insight into the concepts of flight but in many cases it was the very first opportunity to fly in any type of aircraft.

The Otter aircraft, although a rather slow bush-type aircraft, can still pro-

vide a considerable thrill to the uninitiated and was very enjoyable to all 20 cadets involved.

Fam flying is very popular with all the cadets and cannot be done often enough as far as they are concerned. The actual flight gave each cadet an opportunity to sit in as co-pilot and observe the operation of the aircraft during its path over Namao, St. Albert and the touch and go landings at Nisku International Airport.

## W.I. hears speaker on physical therapy

Mrs. Carol Wilcox, physiotherapist from the Sturgeon General Hospital was guest speaker at the January meeting of the St. Albert Women's Institute. Speaking on What is Physical Therapy? she described the work involved in rehabilitating and helping the crippled or injured person to live as normal life as possible. She talked about the different techniques in healing many illnesses and injuries. The needful work done by the diathermy machine donated to the hospital by the WI was also mentioned by Mrs.

Wilcox.

Twenty five members and three guests attended the meeting at the home of Agnes Richardson on Mission Avenue. Guests were Mrs. McLoughlin, Mrs. D. Mitchell and Mrs. Telfer from Nova Scotia.

Annual reports covering the 1972 year were given by new officers Sharon Taylor, treasurer, and Lorraine Moore, secretary.

Sharon Taylor demonstrated how to use the Speedo-Weave with Phentex from which attractive doilies can

be made.

Plans are being made for the All-St. Albert fashion show on April 6 at the Father Jan School. This year the local merchants of St. Albert will be participating in the WI's annual event. It will consist of ready-made and home made spring fashions.

Perfect attendance gifts were presented to 10 members of the WI, Mrs. F. Vellar, Mrs. M. Dolman, Mrs. M. Fechter, Mrs. V. Barkhouse, Mrs. S. Adams, Mrs. L. Fuhr, Mrs. L. Moore, Mrs. M. Rouault, Mrs. N. Rouault and Mrs. D. Robinson.

The February meeting will be held at the Sir George Simpson School in the Economics Room on Feb. 22. Each member is to bring a friend and a bag of "junk" articles. There will be a guest speaker from Calgary Power who will demonstrate the art of fondling.

## Over 30 Members Join Stamp Club

Two enthusiastic philatelists, G. Peterson and G. Goodman, through the co-operation of the local library were successful in founding a stamp club in St. Albert, which appears to be growing by leaps and bounds.

Started just before Christmas, the newly-formed St. Albert Stamp Club now boasts a membership of over 30 and meet regularly twice every month in the Library Lecture Room. The first meeting of every month is held on the first Friday at 7:30 p.m. when club members discuss stamps and club structure. The second meeting is always held on the third Saturday of every month at 12 o'clock noon in the Library Lecture Room where members have a chance to swap stamps and discuss projects.

Two avid members, Ron Meleshko of 80 Sunset Blvd., and Brian Kathol, 10 Spruce Cresc., are presently busy editing a newsletter for the club's members. Stamp Club enthusiasts interested in joining the local club may call Ron at 599-6434 or Brian at 599-6332. Member-

ship fee is 25 cents per month. Other members of the executive are: president David Robinson; secretary, Sharon Peterson and treasurer, Janet Goodman.

"When I was a boy," reminisced a famous lawyer, "my highest ambition was to be a pirate."

"Is that so?" said his client. "Congratulations."

## Engagement Announcement

Mr. and Mrs. Wm. G. Myers of Calgary, are pleased to announce the engagement of their daughter, Beth, to Mr. Henry Bonneville, son of Mr. and Mrs. Roland Bonneville of St. Albert. Wedding to take place September 1st, 1973.

## CARD OF THANKS

We would like to express our heartfelt thanks to friends, neighbors and relatives for their many expressions of sympathy, flowers and acts of kindness during our recent bereavement in the loss of our dear husband and father, Patrick Cunningham.

A special thanks to the third floor nursing staff at Sturgeon General, and to Drs. Fraser and MacDonald. Our deep appreciation goes also to Fathers Levangle and Joly.

Mrs. Mary Cunningham, Edward Cunningham, Pat Desnoyers and families.

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS' OPINIONS

## Farmers Urged To Study New Income Tax Legislation

Comments by Wally Klatt, District Agriculturist.

Farmers are advised to get copies of the publications that are available on the new tax rules and to study carefully those that pertain to him.

The new income tax act, which came into effect in January, introduces considerable changes in both terminology and the method by which taxable income is computed.

Although many farmers will not have direct contact with the new tax provisions until they file their income tax returns for 1972, the decisions that they will be making during the present year could have a considerable influence on their tax positions for this and subsequent years. In fact some decisions concerning changes in the organization of farm operations could have very serious and irreversible tax implications.

The following bulletins explain specific parts of the new tax act: Capital Gains, Partnerships and Corporate Tax Guide, Valuation Day, Basic Herds.

Copies of any of the above publications can be obtained from the Taxation Distribution Centre, P. O. Box 9489, Ottawa, Ontario K1G 3L5, or the Edmonton Taxation Office.

**A NOTE ON VALUATION**  
Valuation Day was established in recognition of the fact that a capital asset held at the start of the new system might have a fair market value significantly different from its original cost. A current value is established for such assets which may be used as a substitute cost in measuring capital gain or loss when the assets are sold. No tax will be assessed or losses allowed for any capital gain or loss which arose before the new system began. Two Valuation Days were established:

\*December 22, 1971 for publicly-traded shares and securities, and

\*December 31, 1971, for all other types of capital property.

The taxpayer is not required to establish or report a Valuation Day value for any property until the property is disposed of. However, it may be several

years before the property is sold or deemed to have been disposed of on the death of the taxpayer. As time passes, it will become increasingly difficult to establish such a value. Properties should therefore be valued shortly after Valuation Day and that value maintained on your files until the property is disposed of.

**ESTABLISHING VALUES ON YOUR FARM PROPERTIES** - There are four properties which should be valued on the farm:

- 1) your farm (land, buildings and other improvements as a unit)
- 2) your basic herd
- 3) your farmhouse
- 4) and farm machinery

where you may expect to receive proceeds of disposition greater than the purchase price.

The farm as a unit can be valued in several ways, and can be done either by the farmer himself or by a professional appraiser. Perhaps the easiest way is to note the sale price of farm property in the same area and similar to your own. A comparison of his municipal assessment and yours should give you a fair indication of how the price he received would compare to the price you could receive on disposition.

**Municipal Assessment of farm sold** - amount received for farm per acre sold. Municipal Assessment of your farm - fair value for your farm per acre.

If you receive any legitimate offers to purchase your farm, you should have it in writing and filed in a safe place. Keep records of all farm sales that occurred in the last one or two years as well as those in the next two years. Note your farm characteristics such as productivity, acres cultivated, property tax assessment, income, land use, improvements (water, power, gas, telephone), and any home repairs made.

The location of your farm can have some bearing on the value of your farm. For example, a location near the city limits of an expanding city might result in a higher valuation. The location must have some bearing on prices and you must be able to support in writing a value higher than productivity. Prices

received for small parcels of land will be discounted somewhat when applied to the sale of a larger area. For example, the price received on the sale of a 40 acre parcel cannot be multiplied by 16 to establish a price for a whole section. You will get less for the whole than the sum of the parts. Sales of property in the area will be helpful in substantiating prices influenced by location.

Any other special circumstances which might influence the value of your farm must be considered. For example, a railroad right-of-way or a stough would mean a lower valuation on your property than on your next door neighbor's who has neither of these.

You have to document your evaluations to the satisfaction of the Income Tax Department. Hence, it's up to you if you want to do it yourself or hire a professional appraiser. Check the credentials of the appraiser to assure he is in fact a "qualified appraiser" as laid down by the Professional Appraisers' Association.

As the Act stands now, professional appraiser fees for establishing a Valuation Day value are not deductible. However, appraiser fees incurred at the disposition of the farm are added to the adjusted cost base.

Your basic herd should be valued as of December 31, 1971, and a record kept. Livestock market sales for days close to Valuation Day will give you adequate proof any exotic or rare breeds should be valued separately from the commercial herd.

While you will not be taxed on any capital gains realized on the sale of your principal residence, it is important that you have a value for it. An option is available to farmers when disposing of a farm including a principal residence (which necessitates a Valuation Day value).

Farm machinery ordinarily does not appreciate over its original cost. However, if you own a machine (at December 31, 1971) on which you have been claiming capital cost allowance by the straight line method and expect to dispose of that machine and realize a capital gain, you should have the original cost of the machine documented. If you have been claiming capital cost allowance by the diminishing balance method you should also document the valuation day value. A farm implement dealer should prepare in writing what he would expect to receive from the sale of the machinery, not what he would give you in trade. Capital gains made by

disposition of machinery are subject to tax. Recapture is subject to tax if you are on the diminishing balance method.

Any reasonable value will be accepted by the Department of National Revenue. The most important thing for you to do is have as many written documentations to support your value as possible. If the value is ever questioned, the onus is on you to substantiate it. The more pieces of proof you have the easier this will be.

Acknowledgement is paid to Bob Lyons, D.A. at Pincher Creek for most of the above information.

## Unthreshed grain assistance

By Wally Klatt, District Agriculturist

Assistance is available to farmer/producers who have not threshed all or part of their grain (wheat, oats, barley, flax and rapeseed). The acceptance deadline for application forms is February 28. If you have unthreshed grain, then contact Wallace Klatt, DA at Morinville. Please bring your permit book.

## Course offered at Olds - pesticide applicators

The sixth Pesticide Applicators Training course will be held at Olds College March 19 to 29. "Commercial" pesticide applicators are required to be licensed, in Alberta. Qualifications include formal training and experience. Persons without previous training should attend all of the sessions from Monday the 19th to Friday the 23rd plus those special days of the following week relating to their area of

pesticide application.

Every session will be addressed by well-qualified instructors who will provide up-to-date information emphasizing practical work in entomology, botany, plant pathology, pesticide legislation, chemistry and formulations, herbicides, insecticides, fumigants, animal pest control and the protection of the applicator. Persons wishing information in this general area MUST REGISTER FOR THE FULL WEEK OF THE COURSE.

The second week will be offered on a daily basis and is intended for specialist groups and up-dating information for those with previous training. The daily topics will deal with herbicide use and application; insects of economic importance in Alberta; Mosquito control; aerial operators.

Tuition fees, which include mimeographed notes and a three ring binder will be \$5 per day. Room and board at the college residence is \$8.50 per day.

For application forms and further information, contact W. O. Klatt, district agriculturist, Morinville (phone 256-3351) or the Registrar, Olds College, Olds, Alta.

## Water program offers livestock producers incentive grants

Re-issued by W. O. Klatt.

A five year water development incentive program for Alberta farmers with livestock, or who are planning to go into livestock production, has been approved under the federal-provincial ARDA 111 Agreement. The federal and provincial governments will share equally in the cost of this \$3,010,000 program.

Its purpose is to encourage farmers to expand their existing livestock operations or to diversify their farms to include livestock or livestock supporting activities like forage crops. It is also envisaged that water development or expansion will make possible the application of labor-saving devices on many farms, which, in turn, will facilitate additional livestock production, and that it will reduce input costs by facilitating the modernization and upgrading of the operation.

The program's immediate objective is to improve the incomes of a large number of farm units in the province. In addition to the incentive grants, farmers will receive technical and advisory services from the provincial department of agriculture's engineering branch.

To be eligible for a grant, the applicant must be able to show that he is a bonafide farmer who resides on his farm and that he has an economic need for water development or expansion for livestock production. He will also have to show that he sells agricultural products and indicate the nature of his farming operation, his present water source and use, and his planned livestock program.

The grant will cover 20 per cent of costs, up to a maximum of \$500 per farm unit. It will include costs involved in establishing or developing a water source, pumping and pipeline systems, treatment systems, ditching for pipelines, well pits etc.

The program is in effect now and will be in force for five years. It is being administered by the department of agriculture's engineering and home design branch. Further information a brochure and application forms will be available within the next month from all district agriculturists' offices.

## Order Early - Forage Seed

By Don England, Fieldman.  
The Agricultural Service Board of the MD of Sturgeon will be operating a forage seed program again this year. Orders will be accepted at the Fieldman's office in the MD Building in Morinville. There was a poor seed set in forage last year and the supply is going to be short and prices slightly higher than last year. Anyone wanting forage seed this year would be well advised to order early to ensure supply.

# Morinville artist becoming known

By Flo McGinnis

Another TV appearance by Mrs. Lucien Ropelot on Tuesday, February 6 goes to show that her work is becoming quite well known and that her opinions are sought. CFBN's Morning Magazine featured four Alberta artists in a discussion of the topic "How Alberta artists find a way to become recognized."

It was rather a heavy topic for the 20 minutes that they were allowed since a great number of our local artists do have problems becoming recognized and it is still the general feeling

that a 'work' is not a good one unless you have seen or heard some publicity on the artist themselves. This of course is not so, and we have a large number of Alberta artists who are working toward having 'Alberta Artists' known for their own work. For Mrs. Ropelot it has not been as difficult as it has for some and her works are now being sold and displayed in a number of areas.

Mrs. Ropelot started working with oils some three years ago after doing sketches and "fooling around" with art for most of her life. Having a natural talent,

especially for landscapes and seascapes, her work almost immediately became recognized as very appealingly real.

Working out of a studio in her home in Morinville and using mainly sketches made on field trips (which is no mean feat when you have six children) Mrs. Ropelot can scarcely keep up to the demand for canvases. Her husband Maurice acts as an agent in all respects. In fact Maurice has been the best moral booster for his wife who started a 'hobby', and now finds she "actually is an artist."

In 1972 Mrs. Ropelot appeared on an educational program on the French network in an interview with several other Alberta artists as well as on her own. The Art Show at the Sportex last spring showed a number of her works, as did the Arts and Crafts display at the Morinville Frontier Daze. During the year many of her canvases were sold through various galleries in Edmonton.

For 1973 plans are for similar showings. An invitation to exhibit at the Sportex

in April has been accepted, some canvases are now on display at the Birks Gallery, and there will be a showing very shortly at the Gallery Romanov. And of course the Morinville Frontier Daze exhibit will again include some Ropelot works.

With six children, a large house to keep and all the other duties that go along with being a wife and mother, Mrs. Ropelot says it sometimes gets hectic but she wouldn't miss it all for the whole world.

"People who buy a painting would really like to be able to know the artist or at least know something about who painted the canvases," says Mrs. Ropelot, "and there really is no reason why Alberta artists shouldn't be able to get together and work on some type of publicity. There are enough 'really good' artists in our own province that there is no need to have to look elsewhere for art in almost any form." These are some of the ideas expressed by our own local artists, and to this end they are looking for ways and means for Albertans to recognize Alberta art.

## MORINVILLE MEMOS

By Flo McGinnis

With the cold snap and snow waiting down we are back into winter again for another few weeks so lets all try to remember that it's "WINTER DRIVING" once more. The first two days of light snow saw several accidents in the area, but we hope that by now everyone is on the defensive again.

Sgt. Ringrose reports from Vietnam that it is far too hot and humid to be able to enjoy anything even if the chance was there. Apparently everyone takes a siesta from 11 a.m. till 2 p.m. and then works later in the evening. Very shortly we hope to have a small report about the situation there regarding living conditions etc.

Back in Morinville, with the recent announcement that the church has been officially designated as a Historical Site, work has already begun on restoring the Church and Rectory to their original condition, down to the most minute item. Plans are to have the

work completed by the end of May and we will attempt to relate the history of the church in small items in this column from time to time. To anyone who knows the church it sounds rather strange to say 'restoring' because it has been in continuous use since it was opened in 1907 and is one of the more impressive in the country.

An announcement from the guides and brownies - they are discontinuing the collection of newspapers after March 31st this year. Until that date, the depot for papers is a shed behind Ernest Houder's residence at the corner of 1st and Bolsovert, just west across the tracks. You can leave papers there at any time and it would really be a help if they could be tied or boxed. The goal for the final loan is fifteen; so YOUR SUPPORT would be greatly appreciated.

Senior Citizens' Birthday Roster for this week includes: Feb. 14, Laura Keller; Feb. 15, Armand Chalfoux; Feb. 15, 19 Mrs. Froment. Best wishes to these folks!

The Morinville Legion Branch 176 reminds everyone of their Valentine party being held this Saturday (Feb. 17) complete with live music and the box lunch raffle. Don't forget ladies - bring a box lunch to raffle.

Mothers' Local of the guides and brownies sends out a notice to all garages and businesses that they now have bundles of cut-up rags for sale at 25¢ per lb. Orders may be phoned in to Lena Keith at 256-3075. The money made by the sales will go to support the guides and brownies.

## Vimy 4H Needles

By Jocelyne de Champlain

The 4H Needles heard a guest speaker on the subject of how to dress and effective use of accessories at their meeting last Wednesday. Completed speeches under the 4H program were given to the leader Mrs. Brown.

In January a combined business and sewing meeting was held at the school with 21 of the 26 members present. Lucie Sjostrom, a new member, was welcomed by president Beverly Brown. Following O'Canada and the pledge, led by Nicole Courseau, Jeanine Hickie and Celine Dubois, the minutes and treasurer's report were given.

Crests were distributed to

new members by the leader and the members discussed a sleigh ride outing for February. Jocelyne de Champlain, junior leader, gave a demonstration after which all members presented impromptus. Mrs. Courseau announced that yearbook pictures would be taken at the next meeting. Following adjournment the girls worked on projects.

Ten members attended the Jan. 27 meeting and neither Mrs. Brown or her assistant, Mrs. Dubois were able to be there. President Beverly asked that tote bags and scarves be handed in at the meeting and asked that money on hand be turned over to Mrs. Brown at each meeting.

## Morinville Library News

Two board members and Miss Leduc, the librarian, spent a hectic morning recently at "The Bay" annual book publishers sale. Some 250 books were chosen; children's books, adult fiction, non-fiction, poetry, art books, cookery, engineering, botany, a book on etic-

By Lucienne Montpetit  
Mr. and Mrs. Albert de Champlain and Mr. Antonio Brisson from Morinville returned last week from a two week holiday to Los Angeles where they enjoyed

quite covering weddings and parties of all kinds, also an almost complete collection of Shakespeare's plays in small individual books. All kinds of books in fact which will be on the shelves as soon as Miss Leduc can process them, so come and see them, borrow them, and read them.

Patrons are once more urged to make an effort to return books "ontime." One month is a very generous borrowing period, but at present there are quite a few books overdue! This is a great inconvenience to a very busy librarian. Besides other people may be waiting for the book you have forgotten to bring back.

## LEGAL LOCALS

visiting with their cousin Mr. and Mrs. Jos Brisson.

Mr. and Mrs. Robert Regimbald moved into their new home recently.

Mrs. Marie Montpetit is a patient at the Immaculate Hospital in Westlock.

It was an honor for Mr. Paul Montpetit to present an anniversary plaque from Alberta Wheat Pool to Mr. Jos Berube at a family celebration held at the Yoville Home to celebrate his 100 birthday. Mr. Berube being a founding member of the Alberta Wheat Pool who signed up in 1923, and is recognized and honored along with many others on the 50th anniversary of Alberta Wheat Pool. Congratulations Mr. Berube!

The annual dinner plate sponsored by the Legal and District Community Centre will be held on March 10. Tickets are available at the Credit Union, Legal Welding and from the members of

the board of directors. Get yours now, they are limited.

An eight week Stretch and Sew course will be held in Legal every Wednesday evening at the Rec. Centre. Registration will be held on February 21. For further information contact Mrs. Joanne Morin 598-3821.

Mr. and Mrs. Omer Maurier returned last Sunday after spending five glorious weeks in sunny California visiting with relatives and friends.

# Report From Bon Accord

By Sadie Allen

The turn out to the meeting to form an Emergency First Aid Brigade held at the home of Mrs. Ruby Lampkin was a tremendous disappointment. Not only were there not enough present to form the brigade, there were not enough present to even talk a brigade. Another meeting will be called at the conclusion of the St. Johns' Ambulance course now being held in the Bon Accord School and it is hoped that there will be sufficient interest by that time to form an enthusiastic and competent group who can deal with any emergency that might arise. At this time we should point out that the Ambulance Brigade and the Volunteer Fire Brigade are two separate organizations and being a volunteer for the First Aid Brigade does not necessarily turn you into a fireman and vice versa.

On February 1 Mr. Walter Jerram, councillor for our division and chairman of the Agricultural Service

## GIBBONS NOTES

Get well wishes are extended to Tony Mochansky in the University Hospital in Edmonton, and Joe Morin and Buster Morin now recuperating at home.

Mr. and Mrs. Stan Mabbitt attended their grandchild's wedding in Surrey, B.C., Feb. 9. Mrs. Lizzie Sprague accompanied them.

The Gibbons Girls played their first hockey game Sunday, Feb. 4 at Gibbons against Legal. The girls won 4-1. Scoring for Gibbons with one each, Betty Adams, Beth Lewis, Brenda Adams and Linda Serink. Scoring for Legal was B. Laberge.

Mr. and Mrs. Snip Lob-

Board for the municipality of Sturgeon, travelled to the Olds School of Agriculture to present a \$200 bursary to Robert Tarves, R.R. 1 St. Albert. This bursary is one of two which is made available by Sturgeon Council to assist young people of the municipality who are attending any of the three agricultural colleges in the province. This is the second bursary that Robert has received.

Bon Accord pweeseees copied off their first win of the playoffs by downing Gibbons 16 - 2. Big scorer of the game was Dean Draper, who shattered Jim Harrison's record by scoring 11 goals and two assists. Other goals were made by Barry McBride, Linden Morris, Rick Kreway, Murray Pawluk and Evan Prairie Chicken. Gibbons goals were scored by L. Thompson and R. Kerr.

The Local Association for Brownies and Guides held a meeting in the clubroom on Feb. 6. They wish to thank all those who enabled them

lick and boys Donald and Merlin are enjoying a holiday in Hawaii.

The Wilfred Shaw rink won the club bonspiel Feb. 4. Curling with Wilf were his wife Arlene and Marshall and Sue Hall. Ralph Cropley's team won the second event, playing on Mr. Cropley's team were Jack Hogg, Roger Pelletier, John Vanderspoel.

A general meeting for anyone interested in Arts and Crafts will be held on Feb. 15 in the Gibbons Hall.

## Alcomdale 4H girls

prepare for speakoffs

By Mary Mensink  
The Alcomdale Clothing Club held their fifth business meeting last month at the home of Mrs. Poltorak. Rita Seib led the 13 members in saying the pledge. Roll call (My Dream Home) was taken. It was decided to set a meeting Feb. 3 so members could practise speeches for public speaking. The meeting was adjourned at 8:05 with a delicious lunch following. Nine members presented speeches at the Feb. 3 meeting held at Mr. J. Kyles'. Mr. Kyle mentioned some pointers that would help the speaker in the speak-offs.

with their donations to haul 5,300 lbs. of scrap paper to the salvage company and to remind everyone that the campaign is year-round. Plans are underway for a tea to be held March 24. A fish pond and white elephant table will also be featured. There will be a door prize on advance ticket sales. Keep in mind that the brownies and guides will be conducting their cookie sale the first week in May. The next Local Association meeting will be held in the clubroom on March 20 at 7:30 p.m.

Prospects of another successful year are in store for dog breeder and trainer Jim Thompson, Bon Accord. At the Canadian Kennel Club, sponsored dog show held in Calgary on Feb. 2, 3 and 4, 1973, champion Labrador retriever, Pelican Lake Black Buck took top Canadian Bred in Breed the three days. He also placed top Canadian Bred in Group in the Sporting Dog Group on February 4, defeating the top American show champion of 1972, Buck is the first Labrador Retriever to place first in Group in Alberta for several years. This is his third group placing in his last seven shows. Also placing as top Canadian Bred puppy in Breed was Pelkana Deeco-Ree for the three day show, Dee, a half-brother to Buck was bred at the Pelkana Kennels in Bon Accord.

Local girls Sharon Draper, Karen Draper, Barb Muegan and Debbie Uchacz members of the M. E. Lazerie senior basketball team travelled to Red Deer on Saturday, Feb. 3. The Lazerie team copped off the trophy by defeating teams from Calgary and Red Deer.

A number of district residents attended an Open House honoring Mr. and Mrs. Alan Gibbons on the occasion of their Golden Wedding anniversary on Thursday, Feb. 8th at Knox Metropolitan Church hall in Edmonton. Mrs. Gibbons is the former Ella Mulligan of Bon Accord

A Golden taxicab stolen in Edmonton was found ditched and abandoned on a country road two miles from Bon Accord.

By Norma Crozier

A St. Albert rink of Joyce Fraser, Viola Samis, Van Vi Bond, and Vera Newen won the grand challenge at Redwater. Grand prizes were electric clocks.

Mr. and Mrs. Jack Pearce returned from a three week holiday in Hawaii.

The Uniform meeting was held at the home of Mary and Harold Clark with a good attendance. The speaker for the evening couldn't come so after the meeting, the evening was rounded out by

## Gibbons Seniors choose "The Last Roundup"

A lively and pleasant afternoon was spent by the Senior Citizens Club of Gibbons on Thursday, Feb. 8 with 31 members present.

There was a lively time and a lot of laughs while the members were suggesting names for the club. Several names were suggested.

## Horse Hill Column

By Peggy Wenzel

Patricia UCW will hold their meeting on Feb. 27 at 8 p.m. in the home of Gladys Williamson. For any information you may phone Nancy Gordon, president at 799-3461.

Yellowhead Presbyterian Retreat will be held at the Grey Nun's Centre, Edmonton on Feb. 17 and 18. Registration \$2 per person. The meals are \$1.50 each if you are only able to attend part of the sessions.

Mr. and Mrs. Dieter Kuhlman won a trip to Hawaii through the Alberta Potato Growers' Association. We congratulate them on their win and hope they are enjoying their holiday. Don't forget the 1st Evergreen Cub and Scout paper drive this Saturday, Feb. 17 between 9 a.m. and 1 p.m. Please have your papers tied and bottles ready when the boys call.

## Rural Recreation

By Carl Royan

The first in series of 13 public meetings being held by the Sturgeon Recreation Board to discuss the upcoming opinion poll on recreation facilities was held in Villeneuve on Monday, Feb. 12. The meeting was held in conjunction with the Villeneuve Athletic Association's annual meeting and 48 persons were present. The meeting, chaired by Angus McDonnell proved informative for both the recreation board members present and the residents of Villeneuve.

District meetings were held last night in Gibbons, tonight in Riviere Qui Barre and tomorrow night in Alameda.

Dates for the rest of the meetings are: Calahoo - 19; Bon Accord - 20; Legal - 21 in the Rec. Centre; Horse Hill - 22nd; Lamoureux - 26; Morinville - 27; and Namaow - 28.

The recreation board invites every resident of Sturgeon to attend one of these meetings whether for or against the increase in assessment for recreation facilities.

## Village of Gibbons PUBLIC NOTICE

Notice is hereby given that the Village of Gibbons will file an application to the Provincial Planning Board for permission to Rezone the most Westerly 60 feet of the most Easterly 75 feet in uniformity of Lot R2 in Block 13, Plan 5266ERS from reserve land to Commercial zoning for Alberta Government Telephones use. (Section 26, 2, Provincial Planning Act.)

Any adjacent resident or persons having objection to the above rezoning plan shall file such objection to the Village Secretary in the Village of Gibbons before February 22, 1973. A hearing will be held in the Village Office on Monday, February 26, to review objections received if any.

Dated this 29th day of January, 1973.

Earl J. Yeo,  
Secretary.

## WI studies current issues at Installation

By Liz McLeod

The 138 meeting of Calahoo Women's Institute was held January 30 with 14 members and two visitors, present. After the minutes and the treasurer's reports were heard the correspondence was read, including a letter from Canadian Mental Health, telling how any individual or group can sponsor one of many activities helping patients out with recreation, summer camps, films etc.

The second letter was a very sad one in that our Leper friend, Mr. Menor, had passed away leaving his wife and children with nothing. His wife wrote to Stephanie Sheffield, sending a picture of his loved ones beside the casket. In her broken English she told of their dire need for help in fixing their slum type hut, and with children going to school, there are constant needs to be met.

Since there is a real urgency, WI members felt they should start a fund drive for the Menor family. They hope more folks will feel the same way and if any group or individual wishes, they can send their contribution to:

## Gibbons 4H Club Visits City High School

By Judi Demers

The Gibbons 4H Garden Club held a meeting on January 9 at the home of Janet and Judi Demers with all members present. Our leader, Mrs. Paradis gave a demonstration on how to make a terrarium. She then gave each member two plants with which to start their own terrarium, our indoor project for this year.

Our Club has been invited by St. Joseph's High School

Mrs. Roy Schermund, treasurer, Calahoo WI, Calahoo, Alberta. TOG CJO. Installation ceremonies were conducted by past president, Mrs. K. Dalheim, during which time new president, Mrs. Vic Betty Albrecht and vice president Mrs. V. Cecil Berry were installed.

A report was read on discussion when members of Parliament were discussing women's liberation, one MP (not known luckily) who didn't wish to reveal his name signed in this manner; Joe Blow from Scratch AS Tickle. Did you ever hear the likes of this in our federal government? These are our representatives? Questions raised triggered active group participation.

**ABORTION QUESTIONS**  
With citizenship the subject for study this month, articles from the paper and views from the Federated Women's Institute news were explored with emphasis on abortion laws. Some questions were:

Should abortion be a substitute for birth control?  
Should WI nationally, decide on further liberation of abortion laws?

To attend a tour of their Horticultural Department. This was enjoyed very much by our members and leaders. We would like to express our appreciation to the teacher, Mr. Lister and the students who gave us such an enjoyable day.

Our Club will be holding a public speaking contest on March 22, so all our members are busy preparing their speeches for this date.

In 1464, King Louis XI started a regular postal service in France.

## Calahoo Sports

Calahoo Canucks peeewe team moved into second place in the Parkland Minor Hockey League by blasting Devon 20 - 1 Sunday in Devon

Shane Quintal led the way scoring four goals while Tim Wichien, Randy Karabone and Normie Majeau each scored three. Bronco Letendre added two while singles went to Russell Letendre, Dale Schafers, Donnie Fowler and Sidney Karakone.

The bantams and mites didn't fare so well as they both lost. The bantams were defeated 4 - 1 by Calmar last Thursday in Calahoo as Dale Ross scored their only goal.

Stony Plain #2 defeated Calahoo mites 3 - 0.

Should the husband be informed before his wife has an abortion?  
Is there a moral issue at stake?  
Should young girls be advised and given contraceptives?  
If abortion on demand becomes legal in Canada could mercy killing of the senile or incurably ill be the next step?

Should the rights of the unborn be protected?  
Are you impressed by the arguments about the unborn child's right to be wanted?

The new president in thanking Marlene Schermund for the good job on typing program books, presented Marlene with a gift. It was decided to send two cook books to the national

convention as a contribution towards defraying expenses for the convention.  
This group is writing the history of Calahoo for the Tweedsmuir competition and Mrs. Mary Dalheim will purchase a scrapbook for it.  
Being interested in the recycling process, it was decided to invite DHE Pat Praymak to one of our meetings.

Vote was unanimous to hold a bingo and bake sale with the proceeds going to Cancer research.

Roll call was answered by bringing used stamps cut with a good half inch around them for use in raising funds for the Leprosy Mission.

Used Christmas cards are gathered to be sent to hospitals or missions for rehabilitation projects.

A most enjoyable social hour and lunch followed.

## MUNICIPAL DISTRICT OF STURGEON NO. 90

## Disposal

## of Park Reserve

Pursuant to Section 26.2 of the Planning Act R.S.A. 1970 and including the 1971 and 1972 amendments, it is the Council's intention to apply to the Provincial Planning Board for an order disposing of the park reserves. The land in question is described as follows:

Park Reserve Lot R, Plan 3341 R.S., Gagnon Estate consisting of 5.91 acres.

A person or any local group of residents affected by the proposed disposition of reserve land shall serve written notice of his objection to the undersigned prior to the day of the Public Hearing which is to be held on February 22, 1973 at 2 p.m. in the Municipal Office at Morinville.

Alphonse Nobert,  
Secretary-Treasurer.
